

My name is Lisa Reynolds, Nigonii Binesii Kwe. I am a proud candidate for St. Croix Tribal Council as a Sand Lake Representative.

My parents are George Reynolds, Sr. a Mille Lacs Band Tribal Member and Marion (Butler) Reynolds a St. Croix Tribal Member. I was raised in the Sand Lake community since we moved here in 1974.

I raised a daughter with heart of gold and adopted 3 girls that needed a stable home. They are also great kids who have troubled pasts and are working hard to break that cycle.

I am a proud St. Croix Tribal Member and love this tribe as a whole. I am the current Elder Services Director which includes the Caregiver program, Elder Advocate program and Aging Program. We are a very busy department and there is a wonderful hard-working team that I have the privilege to work with. I am very proud to be a part of this team as we work hard to make sure that all Elders receive services to improve quality of life in our golden years.

My heart and soul are with this tribe. Across the board we are all family and tribal members who deserve that best that can be offered and find new self-sustainable resources to provide a better quality of life that the outside world does not offer people of minority blood.
